to the detriment of the interests of Govt and States that it would appear from the records submitted that most of the transactions referred to in the petition have taken place prior to Govt Sanctioning a loan on the security of the village and that only 6 transactions have been made subsequently.

Mr Vydyanatha Iyer reports from local enquiry & submits a Statement showing the transactions made before & after the loan. He presumes that all the previous encumbrances should have been discharged out of the loan taken by Govt. The Ryots may be asked if it is so. In reference to the subsequent transactions, the inspecting officers' Statement shows that the first four were mortgages, the fifth a Gift & the Sixth a Court Sale. The Survey Nos affected by these minor transactions are 450, 365, 460, 356 & 391. He States that none of these relate to the whole village & that they all appear to have been dealt with not in the capacity of the Inamdar but merely in that of ordinary land owners of a few isolated Survey Nos. He thinks that they are by no means detrimental to the interests of Govt.

From para 4 of the Asstt Commr's report, it appears the Taluk Amildar needs to be instructed

that all the collections of the village should be credited towards the instalments due by the Inamdar. Submitted for orders.

K.S. 24/1/06

Of the alienations, twelve are before the Government loan. It must be ascertained if it was not one of the conditions that the prior encumbrances should be paid up. If it was, how many of them have been paid up and why some remain unpaid.

Of the subsequent alienations Survey no 466 has been mortgaged with possession for 6 years unless we make sure that they were all conferred to the tenants interest, we cannot say that they are not detrimental to the interests of Government.

Ask the Collr. whether he considers any action necessary in regard to the observations made by Mr. Nyayamurthy in para 43 of his report for the examination of the Inamdar, who was believed to be residing in Mysore, by local agents and if he has issued necessary instructions to the Amildar for realising the revenues of the village towards the

I am of opinion, for though the mortgagee possesses the right to spend such money as is necessary for supporting the mortgagor's title to the property, yet he is not entitled to the Cost of defending his own title to the mortgage against a third person. Sir,

Adverting to para 6 of Government Proceedings No. K 7853-4 / GK 274-04-6 dated the 18th May 1905, calling for my opinion as to whether stringent measures for the recovery of the balance of the Loan granted to M. Siddaraja Iyer on behalf of his minor son Manjaraja Iyer on the Security of the Inam village of Parasonamahalli in the Seringapatam Taluk are necessary, and requesting a detailed report in the matter, I have the honor to submit herewith the correspondence ending with the French Rocks division Assistant Commissioner's memo No 1899 dated the 25th June 1905, and to state as follows:-

2. The Inamdar's agent (Babu Rao) says

in his statement given before the Amildar of the Seringapatam Taluk on 22d June 1905 that ₹ 7350/- have been paid up to date towards the loan, but no list of recoveries made towards the loan as verified with reference to the Taluk Treasury accounts has, as yet, been received from the Amildar. The same has been called for.

3. According to the balance statement received from the Comptroller, the balance on the 30th June 1904 was ₹ 2829-13-2.

4. The Assistant Commissioner reports that the recoveries towards the loan made on the security of Pattasomanahalli have been so far regular, as will be seen from the list submitted by the Amildar. No stringent measures are necessary as far as this village is concerned, and I agree with him.

5. The report called for in para 5 of the Government Proceedings under ref 3, dated the 7th Dec. 1905 from Hiram village, Nanjangud Taluk

wide

will be submitted on receipt of a final report from the Assistant Commissioner (Mr Vaidyanatha Iyer) who has again been reminded to expedite his answer.

Proceedings of the Government of
His Highness the Maharaja of Mysore

Read:-

Correspondence ending with
letter no 936 dated the 24 April 1905
from the Deputy Commissioner of the
Mysore District recommending that
the Inam village of Thembarele
in the Nanjangud Taluk, on the
security of which loans were
granted to Mr. Siddaraja Urs of
Mysore and his aunt Krishnajammanni,
may, in the interests of Government, be
brought under Government management.

Order thereon No 76 7853-4 dated Bangalore
Fl. Fin 274-04-6
the 18 May 1905.

A loan of Rs. 19,000/- was under
Government order no 17,220-1. R 2445 of
the 13 April 1896, granted to Mr. Siddha
Raja Urs and his aunt Krishnajammanni,
on the security of the Inam village of
Thembarele in the Nanjangud Taluk.
The rate at which interest was pay-
-able 5 per cent per annum, and the
annual payment towards interest and
principal was fixed at Rs 1,500. The
village was, however, left in the possession
and management of the mortgagees
subject

Subject to the condition that the Government may take possession of it in case of any default in payment of the annual instalment. The amount paid towards the loan up to the 27th March 1897 was Rs 1750- the balance of principal due on the 30th June 1896 being Rs 18,341-10-8.

(7) A further loan of Rs 10,000 was, in Government order no 9264-5.R.7. 106-96 of the 25th April 1897, sanctioned on the security of the same village, with the direction that the first loan (of which Rs 18,341-10-8 were due on the 30th June 1896) should be reduced to Rs 17,500 by recovering Rs 1,758-11-11 (Rs 1,500 towards the instalment due for 1896-97 and Rs 258-11-11 as an additional amount) the Ag. Investigator was requested to obtain a fresh mortgage deed from the mortgagors for the entire loan of Rs 27,500/- on the same conditions as those laid down in the order sanctioning the first loan. The amount was ordered to be repaid by annual instalments of Rs 2,500 including interest commencing from the 1st

1st of July 1897, the interest on the loan of Rs 10,000 up to the 1st of July 1897 having recovered on due date

(3) From the Deputy Commissioner's letter cited above it will be seen that no portion of this amount has been recovered. Krishna-jammanni, who after the death of M. Seddaraja Urs, became sole manager of the Kuam village as guardian of his minor son, has been grossly negligent in the payment of the dues to Government. The Deputy Commissioner suggests that the village may be brought under Government management and Government accordingly direct that it may be taken over forthwith under the terms of the mortgage above referred to. The Commissioner is requested to report whether the sum of Rs 1,758-11-11 referred to in para 2 above has been recovered.

(4) Government view with displeasure the conduct of the officers concerned in having failed upto Government from time to time the non-payment of the instalments of

of the loan granted by Govern-
ment and the steps taken for
their recovery.

(5) As regards the allegation that
portions of the Inam village have
been secretly alienated to others, the
conduct of the Amildar of the
Nanjangud Taluk in having failed
to make a local enquiry as the
matter is highly reprehensible.
Government await the report called for
on the subject from the Assistant
Commissioner.

(6) In regard to the loan of Rs
7,000 granted to M. Siddarajus
Urs, on behalf of his minor
son, Nanjaraj Urs, on the security
of the Inam village of Puttasoma
nahalli in the Seringapatam Taluk
in Government order No 35-37-38-
R 1638 dated the 7th December 1894,
the Dy Commissioner is requested to
favor Government with his
opinion as to whether stringent
measures for the recovery of the
balance of the loan due are
necessary and submit a detailed
report with a statement showing
the Amounts Principal and the
dates

Dates on which they were received.

General and Revenue Department

Sir,

With reference to the correspondence ending with this office letter No 918 dated the 2nd March 1906 on the Petroh abomination made by the Inamdars of the Thanjavur village in the Nanjangud Taluk to the detriment of Government interests, I have the honour to state that the Amildar of the Nanjangud Taluk reported on the 8th February 1906, that the Shanbhag of the village in question received from the Sub Judge's Court in Nagore, two petitions of attachment (herewith submitted for reference) in respect of a portion of certain lands of the said Inam village, for due publicity being given in the village. Thereon the Sub Judge was addressed for further details as to whether these lands

debts were contracted prior to the grant of the Crown from Government on the Security of the Drain Village. He does not inform me that the settlement is in respect of 2 private loans contracted in October 1893 and in January 1899 and that the Amildar of the Navsari Taluka may be instructed to join in a Compromise on behalf of Government for these properties.

2. The private loans now amounting to Rs 5175/- including interest and Court costs raised in January 1899 on the hypothecation of land viz No 365 and other lands in the village is subsequent to the granting of Government Loans and therefore seems to be a questionable transaction, inasmuch as a portion of the entire village already mortgaged to Government is again hypothecated to some other private party.

3. I have reported these circumstances to Government for such orders as they

they deem proper to pass in the matter.

4. Copies of the marginally noted Communications are also submitted for reference.

5. The Treasury Assistant Commissioner Mr. Chakravarti has been requested to take down the statements of the Inamdars who are said to be the residents of Nagpore and his reply is awaited. He is again reminded and on the receipt of his reply your Docket No. 3C 4875 dated the 8th December 1906 will be replied to.
